2018 NECA
SUMMER CHEER CAMPS

Share our Traditions...

NECA is celebrating 39 years of **LIVING** and **LOVING** cheerleading! We are so happy to have the opportunity to share our most valued tradition...**TEAM UNITY**. The NECA STAFF work closely with each team to help them form strong bonds at camp that will take them successfully through their cheerleading season and beyond.

Coaches Program

NECA encourages coaches to get active. Selected instructional classes in dance, motion technique, stunt progressions, and fitness are JUST for coaches! Daily seminars teach coaches safe stunting habits, appropriate spotting techniques, helpful conditioning tips, how to choreograph their routines, and how to build team unity. We encourage coaches to actively participate in all classes to provide them with a "hands on" learning experience.

See what coaches are saying about NECA!

"NECA has a very special place in the hearts of the Rockville cheerleaders. The underlying values of unity, effort and sportsmanship are shown constantly through every class interaction between staff and campers. The amount of individualized instruction and level of professionalism reaches far beyond expectations. RHS will be eternally grateful for the level of team bonding, fun, and accomplishments we attained at overnight camp this summer. We can't wait to come back!"

Sarah Patrylak, Rockville High Varsity Cheer Coach

"I have been attending NECA summer camps with my teams for over 30 years. Every year we come home with fun, unique routines and new stunts! The biggest reason we return year after year is the emphasis on **TEAM UNITY** and team building. It gives us a jump start on our season when we share magical experiences at NECA Camps!"

Michelle Canty, Westerly Youth Cheerleaders

"NECA Camp is always the highlight of our summer! I have been bringing the New London Youth Program for the last several years, and I love the skills and team bonding it creates. The kids do the **SPIRIT** dance all year long! The staff is amazing and passionate about cheer and it shows. The kids really look up to them! I absolutely love the **UNITY** amongst all the teams and energy NECA creates. The kids are already talking about NECA 2018, and we can't wait to see what is lined up for us! Thank you so much from the NL Youth Program."

Dawn Harkness, Cheer Director, New London Youth Football and Cheer.

"Thank you NECA for our one day clinic. Brian did a great job explaining correct stunting techniques to my girls. He was calm and spoke to each of them, really amazing! They were young and mostly inexperienced, but now they are more confident and learned so much and we even did a few stunts last night at our game! I loved it! Money spent well without a doubt. I will tell others about NECA."

Sandi Harwood, Haddam-Killingworth Youth B Cheer Coach

NEW ENGLAND CHEERLEADERS ASSOCIATION

GRAND CHAMPS

Teams will work with their personal instructor all week to develop a "grand champs" routine to be shown on the last day of camp. This routine can be taken home and used at half time or as a basis for your next pep-rally or competition! Awards will be given in each division for the team(s) with the best grand champs routine!

SHOWTIME

Pack your costumes and get involved in our camper talent show! Teams and individuals will have a blast showing off their best talent. Whether it's singing, dancing, acting, or ukulele playing. IT IS YOUR TIME TO SHINE! A talent trophy is awarded to the best camper talent at each camp.

CAMP AWARDS

- NECA Official Spirit Stick
- Most Unified Team
- Dedication
- Team Skills
- Best All-Around Team Trophy
- Best Jumper
- Best Tumbler
- Individual Medals
- Grand Champs Ribbons
- Crowning of Miss NECA

...and many more!!

Attend with your **TEAM**, with a **FRIEND**, or by **YOURSELF!**

Where Your Season Begins...

Personalized Training

NECA INSTRUCTORS are knowledgeable and FUN! Prepare for a camp day full of energy and spirit, plus the most innovative cheer, dance and stunt choreography ever! Your NECA personal staff member will help guide you through your camp week, introduce you to new friends and make your days more MEMORABLE. Whether you cheer for a sport, cheer competitively, or just LOVE TO CHEER, NECA offers classes that will meet your needs.

Choreography

NECA Choreography is innovative, fun and reflects the latest styles and trends in cheer and dance! Classes designed for game time and competition--sideline cheers, crowd response cheers, competitive cheers, and a variety of dance styles. Classes are broken down into novice, intermediate, and advanced levels to give coaches the opportunity to choose which best suits their team.

Stunt Safety

NECA keeps you in touch with the latest techniques in stunting. Cheerleaders and coaches will be educated on safety, spotting, conditioning for stunting, and proper stunt progression. NECA has more stunting sessions than any other resident camp because we believe it is a priority for teams to leave camp understanding the concept and importance of STUNT SAFETY.

Specialty Classes

Specialty classes are offered in dance, jumps, stunts, and gymnastics to allow cheerleaders and coaches to select activities that are specific to the needs of their team. A specialty class curriculum includes "advanced dance", "sport specific conditioning", "tosses, twist and suspended flips" and more!

Daily Evaluations

Teams have the opportunity to participate in both formal and informal cheer evaluations. Instructors will guide teams through the evaluation process to help them gain confidence in performing in front of a small crowd. They will provide feedback on your team's strengths and help them work on any weaknesses throughout the week. Evaluation ribbons are awarded to teams each day.

All-Star Classes

Geared specifically for competitive teams, these special classes allow coaches to focus on what they need to work on. Choose stunts, jumps, and/or tumbling with your own NECA instructor and get your team ready for the upcoming season.
